RE: IMPORTANT NOTICE JONES STREET FINAL PAVING

On **Wednesday, Nov. 8, 2017** the street paving process is tentatively scheduled to be completed in the area indicated on the map. During the paving process **on Nov. 8, the noted sections will be closed to ALL traffic. Residents in the noted sections will not have access to their driveways.** Please see information below for critical details regarding paving day.

When parking on adjacent streets, please stay 100ft. away from the intersection so vehicles do not obstruct paving equipment.

How do I arrive at my home during the paving process?

Residents needing to access their homes between 12:00pm – 5:00pm on Nov. 8 will need to park on the adjacent streets and walk to their home.

How do I leave my home during the paving process?

During paving, residents will NOT have access to the noted section between 12:00pm – 5:00pm. Please plan ahead and move your vehicle to one of the adjacent streets *before* 12:00pm on Wednesday, Nov. 8. Any vehicle on your property after 12:00pm on Nov. 8 cannot be moved until 5:00pm that afternoon, or when paving is complete and traffic is allowed on the road. On-street, overnight parking will be permitted on adjacent streets during the construction period.

Why is the schedule ‘tentative’?

Weather conditions, especially rain, can impact the start and/or completion of a street resurfacing project. The City will provide updates via www.cityofgrandledge.com and residents can also call the Public Services Department, Monday – Friday between 8:00am – 5:00pm at 517-627-2149.
