- PHASE I: Liberty St. (E. Kent to Scott)
- PHASE II: Lamson St. (E. Kent to Jenne) / Taylor St. (Lamson to Jenne)
- PHASE III: E. Kent St. (Degroff to Jenne) / E. South St. (E. Kent to Park)

NOTICE OF TEMPORARY WATER SERVICE INTERRUPTION (STREET RECONSTRUCTION PROJECT)

On Monday, April 13, 2020, a project to reconstruct Liberty St. (E. Kent to Scott), Lamson St. (E. Kent to Jenne), Taylor St. (Lamson to Jenne), E. Kent St. (Degroff to Jenne), and E. South St. (E. Kent to Park) began.

This notice is to inform you of scheduled water service interruptions. When water service is restored, it is not uncommon to experience slight discoloration in the water coming out of your tap. It is caused by natural sediment and minerals that have come loose in pipes from pressure changes. The discoloration does not pose a safety

concern and can be flushed by waiting approximately 30 minutes for crews to stop work, or move from the area, then run cold water in a sink or bathtub until clear. Thank you for your patience!

NOTICE OF TEMPORARY WATER SERVICE INTERRUPTION – Red area on map.

Date(s)	Activity	Impact to Residents
<ul style="list-style-type: none"> • Wed. May 27, 2020 1:00 – 5:00 PM • Thurs. May 28, 2020 8:00 AM – 12:00 PM 	<p style="background-color: yellow;">Water Main Connection</p>	<p>Residents on E. Kent St. may experience periodic water service interruptions necessary for water main and valve improvements. The City will work with the contractor to keep these shut-offs to a minimum.</p>

Functioning critical infrastructure is imperative during response to the COVID-19 emergency for both public health and safety, as well as community well-being. The age and condition of the water and sewer systems in this project area deem this project critical. We ask for your patience and understanding during this time as we recognize that many in this area are home during the day or have additional family members home. Please look for project updates on our website at www.cityofgrandledge.com/construction. Thank you for your patience as we work through this street improvement project.
