

NOTICE - CONSTRUCTION SCHEDULE

Driveway Interruptions

TO: Select Residents on Liberty Street, Lamson Street, Taylor Street, and Jenne Street

FROM: City of Grand Ledge, Public Services Department

EFFECTIVE MONDAY, AUG. 17, 2020: Crews will begin pouring concrete curb, followed by driveway approaches and portions of sidewalk. Please note that residents in the **indicated areas** will not have access to their driveways during this period, for approximately 7-10 days. It is imperative that concrete curb remain unimpacted by vehicle traffic to prevent future damage to the street or unexpected emergencies.

Where do I park?

Residents in the affected areas can find alternate parking options on adjacent streets, or may have the availability to park in front of their homes. *Please note: Grand Ledge Police Department is **not issuing tickets** for over-night, on-street parking.*

Why is the schedule 'tentative'?

Weather conditions, especially rain, can impact the start and/or completion of the construction project. The City will provide updates via www.cityofgrandledge.com. The City advises all pedestrians and vehicles to use caution while navigating around construction.
